## INTRODUCTION

The Kitigan Zibi Education Sector's Post Secondary Student Support Program is designed to assist registered Kitigan Zibi Anishinabeg members to acquire college and/or university qualifications within the designated funding period. It is the hope of the Kitigan Zibi Anishinabeg that such individuals will become economically self-sufficient and may realize their individual potentials for contribution to their Algonquin Nation, to other First Nations and to society at large. *This policy comes into effect August 16, 2021 and remains in effect until August 18, 2023.*

The **Post Secondary Student Support Program Public College Policy** provides for financial assistance (subject to funding availability) to individuals who have been accepted by a public accredited CEGEP/college program which normally requires completion of secondary school as a minimum academic requirement. This includes those persons who are accepted with lesser academic qualifications in recognition of the applicant's maturity and potential for success in their chosen field of study.

The Kitigan Zibi Education Sector Post Secondary Student Support Application and the Application Checklist forms for financial assistance are an integral part of this policy.

For the purpose of this document, any interpretation is that of the Kitigan Zibi Education Sector. All requests for clarification should be immediately directed to the Post Secondary Student Support Program Officer or to the Director of Education.

The Kitigan Zibi Administration Office is situated at 37 Kikinamage Mikan. The mailing address and contact information is:

Any modifications to be made to the Post Secondary Student Support Program Policy will be implemented by no later than 60 days after being officially approved by the Kitigan Zibi Anishinabeg Band Council.

The 2022-2023 academic year may be the last guaranteed year of funding as the Government of Canada is currently reviewing the Post Secondary Student Support Program. Please contact the Post Secondary Student Support Program Office for more information.

## 1.0 ELIGIBILITY CRITERIA

To be considered for assistance under the terms of the Kitigan Zibi Education Sector's Post Secondary Student Support Program Public College Program, it is necessary that:

- 1.1 The applicant must be a registered Kitigan Zibi Anishinabeg member and the application must be made to the Kitigan Zibi Education Sector Administration – Post Secondary Student Support Program Office by the deadlines established per each semester;
- 1.2 Students who are receiving or are entitled to funding from the Cree School Board or any other Self-Government agreement are not entitled to receive funding from the Kitigan Zibi Education Sector Post Secondary Program. They must provide a letter from the CSB confirming they are not eligible to receive post secondary funding through their program.

*NOTE: For students who have been funded by the Cree School Board or another band/agency – their semesters or years of study will be considered by the KZES Post Secondary Program.*

AND

- 1.3 The applicant must have attained college entrance requirements through successful completion of secondary school studies and have been accepted for registration by a public Canadian institution through a college application service (OCAS, SRAM), into a program of studies on campus, which has secondary school graduation or its equivalent as a normal prerequisite to registration. **Under no circumstances will funding be provided to attend private post secondary institutions;**

OR

- 1.4 As of 2012 - 2013, post secondary studies outside of North America will NOT be funded. Post Secondary Students must make every effort to study in Canada. In limited circumstances, the Kitigan Zibi Anishinabeg Post Secondary Student Support Program will fund studies to a limited extent, if and when a program is not available in a Canadian public institution).
- 1.5 **International studies:** For international studies, students are required to apply early! The funding request must be submitted to the KZES Administration at least 90 days before the start of the fall term. (This provides the necessary time to assess the students post secondary file and will allow time for students to acquire bursaries, scholarships or grants as well as secure their travel visa to travel abroad.

The international funding request is based upon a first come, first serve basis and the applicant's previous experience in the KZES Post Secondary Program would be evaluated. For example, A/R's in owing, success rate in previous attended post secondary programs, Academic Probation etc. will be considered.

- I) Students are expected to apply for as many bursaries, scholarships, awards and grants as possible and continue to do so while being funded for international studies. (This process can take up to 6 – 9 months to obtain.)
- II) The student must complete APPENDIX XV and attach the form with their post secondary funding application.
- III) If and when a student attains a bursary, award, grant or outside sponsorship to attend a public post secondary institution outside of Canada, the KZES Post Secondary Program will only pay the balance of tuition (when there is a tuition balance owing). **There is a \$35,000.00 cap in Canadian funds (CAD) per academic year.** Funding will **NOT** be directly paid to a student who has been awarded bursaries or has obtained a fully paid tuition by some outside funding source. (This is based upon the current funding availability.)
- IV) The applicant must provide an up to date tuition invoice from their post secondary institution to the KZES Post Secondary Student Support Program Office for tuition assistance to be provided.
- V) The KZES Post Secondary Program will fund a maximum of 4 full time students per academic year, for 4 consecutive years in total, to attend post secondary institutions outside of Canada. For doctorate level students, tuition funding may or may not be available for more than 4 years. (Depending on the demand within the Post Secondary Program overall.)

***Please note: Currently the 4 spots for international study have been filled until Fall 2025. The KZES Administration will make an announcement on CKWE radio and in the weekly community flyers when a spot becomes available. A spot may become available if a current international student resigns from their program of studies or is denied continued funding due to not abiding by the Public College or University Post Secondary Student Support Program Policy; or successfully completes their program and graduates.***

- VI) **This request must be pre-approved.** Upon approval there is a \$35,000.00 limit in Canadian funds (CAD) per academic year; this includes any tuition fees, mandatory textbooks/special equipment, materials and living allowances, travel and any other required training expenses.

- VII) The program delivery must be on-campus and not distance education or online studies program to receive a monthly living allowance.

AND

- 1.6 Furthermore, the Kitigan Zibi Education Sector Post Secondary Program will only provide funding for recognized Public Post Secondary institutions in North America and abroad. Therefore, private schools (i.e. 'Centres des formations Professionnelles') are not covered under the Post Secondary Student Support Program.
- 1.7 The applicant who wishes to obtain funding for a Fast Track and/or a program of studies for which the tuition fees are 10% higher than regular program tuition fees/costs, will have their request reviewed on an individual basis for acceptance or refusal, subject to overall program costs and funding availability for the given fiscal year. The normal funding criteria for allowances may not apply in situations where the tuition and other fees are 10% higher than the regular tuition fees.
- 1.8 For specialized programs or technical programs at the college level and/or university level (in a public institution) in Canada, there will be a limit of \$35,000.00 in Canadian funds (CAD) allocated for the total cost of the tuition for a program. This amount includes tuition, books, equipment and materials and living allowances, travel and all other training expenses and is subject to funding availability for the given fiscal year.
- 1.9 For any programs at the college level or university level (in a public institution) in Canada, there will be a limit of \$35,000.00 in Canadian funds (CAD) allocated for the total cost of the program. This amount includes tuition, books, equipment and living allowances, travel and all other training expenses and is subject to funding availability for the given fiscal year.

*Note: In order to fund as many students as possible in any given academic year, funding for elite schools or elite programs that have high tuition rates are not eligible for approval.*

- 1.10 To be eligible to receive monthly living allowances the student must **NOT** have a balance higher than \$8,000.00 owing to the KZES Post Secondary Student Support Program.

AND/OR

- 1.11 If requesting support for tuition and books only, they must **NOT** have a balance higher than \$500.00 owing to the Post Secondary Student Support Program. In order to receive tuition and books funding, the student must first establish a payment plan with the KZES Post Secondary Student Support Program Office.

*Note: Any fees incurred from a payment plan (i.e.: NSF) will be at the expense of the student. If a student does not honor the payment plan and receives 2 NSF or misses 2 payments, the payment plan is null and void, the financial support will be reversed and the student will be responsible for any tuition or outstanding fees.*

#### 1.12 Selection Priorities:

If support for the number of eligible applicants exceeds the post secondary operating budget, a priority list will be implemented to assist in the approval of applications for funding support. The list, in general, will be based on the following categories and application deadlines will be applied.

- **PRIORITY 1 - High School Graduates.** Priority 1 includes recent high school graduates and new students.
- **PRIORITY 2 - Continuing students** already being funded through the KZES Post Secondary Program with good or excellent academic standing. A continuing student is a student who is presently enrolled and had successfully completed an academic year in his/her present program for the next academic year.
- **PRIORITY 3 - Deferred Applicant** – Are applicants who were denied funding from the KZES Post Secondary Program from the previous academic year due to lack of allocated funding and who have met all the requirements and deadlines for the current academic year.
- **PRIORITY 4 - Returning students** and/or students who are moving to a higher level of study after a break in studies and was previously funded by the KZES Post Secondary Program.
- **PRIORITY 5 - Mature student** – University or College Preparation UCEP Program or other educational programs deemed as a Priority 4 by the KZES Post Secondary Program.
- **PRIORITY 6 - Part time students.** Courses must lead to a certificate, diploma or degree.

**There are no retroactive reimbursements of any kind. Funding as per the KZES Public Post Secondary Policy is made available from the period beginning with the official acceptance of the student's application for funding, and as per the time lines established in this policy.**

- I) The Post Secondary Student Support Program Application Form must be completed in full and returned with the following required documentation indicated on the accompanying Application Checklist.
  - a) All applications for initial, renewed or conditional acceptance shall include a *Letter of Acceptance* from the college/CEGEP which the applicant plans to attend or a document indicating promotion and/or approval to continue studies from the post secondary educational institution which the applicant has most recently attended.
    - If an Acceptance Letter cannot be obtained, then a Letter of Confirmation Appendix V of the Post Secondary College Policy must be completed and signed by the designated person from the Office of the Registrar or Administration or a copy of the student's timetable/schedule will be required.
  - b) Colleges and Cegep's that **charge or require a tuition deposit in advance** will be covered by the KZES Post Secondary Student Support Program. Sponsored students through the KZES Post Secondary Program who have paid for their tuition deposit will be reimbursed as long as the official receipt is submitted to the KZES Administration or a copy of the student's timetable/schedule will be required.

Alternatively, a sponsored student is not required to pay for the tuition deposit, but will be required to have forwarded a Sponsorship Letter to the college by the prescribed due date (refer to your institution's due date) in order to avoid losing their seat in their program. A **Sponsorship Letter** is forwarded to the student's institution upon approval of funding and will act as the tuition deposit.

- c) Sponsored students who withdraw or abandon their program/course after the refund period will have their full term fees invoiced. It is the responsibility of the student to inform themselves of this date. If the student chooses to withdraw after the date as prescribed by the college, then the student may be responsible to pay the full fees for that term and will not be eligible for a refund. Therefore, it is very important to keep these dates in mind to avoid having to repay the Post Secondary Program for tuition fees that have been paid on your behalf.
- d) Additionally, it is the responsibility of the student to **“Officially Withdraw”** from their program of studies at their institution and to provide a copy of the **“Proof of Withdrawal”** to the KZES Post Secondary Student Support Program Office for their file.
- e) For continuing students, document/s indicating promotion and/or approval to continue studies from the post secondary educational institution which the applicant has most recently attended.

- g) If the applicant is a continuing student, then the original/official academic transcripts from the post secondary institution must be submitted from the previous semester in order to process the student application funding request.
- h) New students and students that are applying after a break in studies are required to submit up to date direct deposit information/or a voided personal cheque from a **Canadian banking institution**. Living allowances and funding will not be released until the direct deposit information is provided if missing from the funding application.

- i) If the applicant is declaring dependents under their charge, then a copy of the child/ren(s) Medical Card and/or Birth Certificate is required on file. Please note that the parents' names must appear on these supporting documents.

***DELAYS:*** Applications for educational reception require a reasonable delay between time of application and reception of the financial assistance. Delays may be due to the time required for the application to reach us, and the time required to process the application and have the cheque issued.

**II) Once the application has been approved by the Kitigan Zibi Education Sector all students at college level will:**

- a) Be required to have their own active **Canadian Bank Account** and submit a voided or specimen cheque from the banking institution to the Post Secondary Student Support Program Office. This document must contain the address of the banking institution as well as the address of the student from when the account was opened from. **NO CELL PHONE PICTURES PERMITTED.**

**Note: It is the responsibility of the student to ensure that their banking information is current and correct. Any banking fees incurred from incorrect banking deposit will be charged to the student.**

- b) Receive allowances on a monthly basis at a date established by the Kitigan Zibi Education Sector Administration Office. Appendix XI outlines the Direct Deposit Dates Schedule.

**Under no circumstances will allowances be given other than on the established deposit dates. Please refer to Appendix XI for the direct deposit dates.**

## 2.2 RESPONSIBILITY OF STUDENTS

- I) Students receiving educational assistance under the terms of this Program shall be responsible for satisfying the academic requirements of the institution of higher learning in which they are enrolled and to produce documents at the prescribed time to the Post Secondary Student Support Program Office.
- II) It is the responsibility of the student to inform the Kitigan Zibi Post Secondary Student Support Program Office of any changes that may occur to a student and their status. For example, changes to your course schedule, withdrawals from programs and courses and the number of hours attending per week to ensure the student is still “full time status” if receiving a monthly living allowance.

**III) As per this policy, the minimum number of hours required to remain full time is 12 credit hours per week (a minimum of 4 courses on campus).**

A Doctor's note, sick leave (medical) note does **NOT** justify taking a monthly living allowance (while not attending school). If and when a post secondary student attains a Dr.'s note or a medical note indicating that he/she cannot attend school for 7 days or more, he/she must contact the Post Secondary Office immediately.

AND

The student must either withdraw from his/her studies if the student feels he/she can no longer continue with their full time course load or if the student feels they can continue with their course load the student must create a return to school success plan with their Professors in order to catch up on his/her studies after the absences from school due to the doctor/medical note.

**NOTE: To avoid owing any funding back to the KZES Post Secondary Program for any or all of the funding (i.e.: tuition, books, living allowance), the student must prove their attendance and success rate prior to withdrawing or abandoning their classes (and not wait until later after receiving more living allowances otherwise this will prove neglect on the student's responsibilities).**

If a student decides to drop or withdraw from a class they must ensure that they still have the required minimum of 12 credit hours/4 courses per week, on campus, in classroom instruction. Failure to update the KZES Administration - Post Secondary Office may result in the student in having to repay the Post Secondary Program back due to receipt of unjustified overpayments.

- IV) Parents of post secondary students under the age of 18 years old may request from the Post Secondary Student Support Program Office, for any information at any time concerning their child's funding status with the Kitigan Zibi Education Sector. To do so, a parent must complete and sign Appendix X of the Post Secondary Public College Policy. However, it is not the responsibility of the Post Secondary Student Support Program Office to keep the parents' updated on the status of their child as a student, or to get any other information outside of what is required by the Policy. The parents have the responsibility to ensure that their child provides all necessary academic documentation to the Post Secondary Support Program Office as required for funding purposes.
- V) For post secondary students that are over the age of 18 years of age, a completed *Release of Student Information* form (Appendix XIII) will be required to designate who, other than the student, will have access to the student's post secondary

information at the KZES Administration - Post Secondary Student Support Program Office.

***An additional or a separate release of student information directly from the institution may be required. Living Allowance will not be released unless this step has been completed by the student. The student should contact the KZES Post Secondary Office if assistance is required.***

## 2.3 DATES OF APPLICATION DEADLINES

For September enrolment:	July 1 <sup>st</sup>
For January enrolment:	November 1 <sup>st</sup>
For inter session or summer school:	April 15 <sup>th</sup>

All applications received after this date will be processed by order according to date received and funding availability. Late applications could be subject to late fees and refusal into the program. It is the full responsibility of the student to apply early!

The completed forms need to be forwarded to the KZES Post Secondary Office along with the submission of their winter term schedule.

Should the Education Sector determine that the student is to be given a second opportunity, after being put on Probation 1, a Probation Contract Level 2 between the student and the Kitigan Zibi Education Sector will be signed following one semester of denied funding for Monthly Living Allowances, to ensure that the student takes advantage of tutors, faculty advisors and study skill lectures.

Should the student again not be successful in 75% of their courses while under Probation Level 2, the student will be required to present all necessary documentation and will be denied further funding for one calendar year.

The student who wishes to reapply for post secondary funding after the one semester of funding (monthly living allowance) is denied due to the student's failure to comply with the probation contract level 1, shall be required to sign the probation contract level 2 before any monthly living allowances will be provided.

#### 9.3 PROBATION 3:

Furthermore, the student is required to provide all necessary documentation indicating they were in full time attendance and completed assignments as required.

<b>Step 3:</b> Student attends subsequent or another semester; submits original transcripts and has not succeeded in more than 75% of the courses for the second time. **A:** Students must ensure to be at least **75%** successful in their course load each term/session. The calculation is based on the number of courses a student is enrolled in for the term.

**IF A STUDENT WANTS TO ENSURE FULL-TIME STATUS FOR LIVING ALLOWANCES, THEY MUST MAINTAIN A SCHEDULE OF 12 CREDIT HOURS OF CLASS TIME/4 COURSES PER WEEK.**

***Example:*** A student taking 4 courses (3 credit hours of class time each per week) who have failed 1 course out of those 4, **MUST** obtain proof of participation/attendance from their professor for the 1 Failed course.

**\*\*\* IMPORTANT NOTE FOR ALL SPONSORED STUDENTS \*\*\***

**To ensure continuance of funding from the PSSSP, all students are to submit their final grades following each term.**

**Q: I DECIDED THAT I WANT TO SWITCH/DROP COURSES, WHAT SHOULD I DO?**

**A:** If its the beginning of the term, and the final date to drop courses hasn't passed yet, then students are free to make changes to their schedule **as long as they remember to retain a minimum of 12 hours of classes per week (4 courses)**. Once your Schedule is finalized for the term, you must forward it to the PSSSP office (by email) to update your student file.

If the date to drop courses has passed, then the student must continue in their course load as is, otherwise, any tuition fees incurred for dropped courses will be the responsibility of the student to pay. Therefore, it is **VERY IMPORTANT** to pay attention to the academic deadlines that are set by your College or University.

**Q: I'M HALF-WAY INTO THE TERM AND I MAY FAIL A COURSE(S), WHAT SHOULD I DO?**

**A:** If a student is failing a course or courses, they must ensure that they obtain proof that they still participated and completed assignments in up to 75% of their courses for that term. Appendix VIII (*'Confirmation of Attendance' Form*) must be submitted by the student for failed courses. Not all failed courses require a 'Confirmation of Attendance Form'. The form is only required for the amount of courses that amount to 75% of the students course load. This means that if a student is taking 5 courses and fails 1 course, they are OK and do not need to provide proof of attendance since they were 80% successful.

If students are unsure about how many letters they need to provide, they can contact the PSSSP office by email/phone to get clarification on what is expected.

For this reason, attendance and/or communication with teachers/professors throughout the term is a good practice for students to have, so in the event that they fail then at least they can show they still participated in the course. **Letters/Emails from the Professors' need to be obtained by the student for each of the failed courses.**

**Q: WHAT IF I GET SICK OR AN UNEXPECTED CIRCUMSTANCE HAS CAUSED ME TO ABANDON MY STUDIES AND I CAN NO LONGER ATTEND CLASSES OR DO MY ASSIGNMENTS?**

**A:** Students must notify the PSSSP office (by email/phone) as soon as they become aware or have decided that they cannot continue on with their studies due to unforeseen circumstances. The student will be required to formally withdraw from the College/University by notifying the Registrar's Office or 'Student Services'. Refer to your school's website to determine HOW & WHEN\* to formally withdraw. After this is done, the student must notify the PSSSP Office (by phone or email) of the date that they officially withdrew. Depending on which point this occurs in the term a student may need to provide proof that they attended up until the date of withdrawal.

**\*Note:** Pay attention to your schools Withdrawal dates & deadlines. These are usually listed on your course schedule or on your schools' website. Any funding received after the withdrawal date must be returned to the KZES PSSSPO.

**Q: WHAT IF SOME OF MY COURSES ARE YEAR LONG, AND MY FINAL GRADES WON'T BE AVAILABLE TILL THE FOLLOWING TERM?**

**A:** Submit Appendix XI 'Confirmation of Good Standing for Year Long Courses' Form, found at the end of the KZES PSSSP Policies. The form must be signed by your professor(s) for each year long course to show that you are actively participating in and passing the course. Ensure to include your professor's contact info (email/phone) on the form, as well as the course code or name of the course.

**Q: WHAT IF I DIDN'T RECEIVE MY MONTHLY LIVING ALLOWANCE OR THE AMOUNT I RECEIVED WAS LOWER/HIGHER THAN USUAL?**

**A:** Living allowances are deposited on the set Monthly deposit dates. Refer to Appendix X of the PSSSP College/University Policy. If the amount you received was different than usual, please contact the PSSSP Office by phone or email; Its possible your funds were deducted by the KZA Finance Office to pay off an existing loan or Accounts Receivable (A/R).

**Q: WHAT IF MY BOOKS COST MORE THAN THE ADVANCE PROVIDED TO ME (\$550 FALL / \$450 WINTER)?**

**A:** Keep all your original / official receipts and submit them to the PSSSP Office once all your books have been purchased. Ensure to provide the original receipts along with the “Mandatory Books - Appendix II” Form. Any amount spent over the advance will be reimbursed to you by direct deposit within 5-7 business days.
